Boston-Thurmond United Requests Entries for Black History Month Project

Boston-Thurmond United is committed to preserving the rich history and heritage of our community. To that end, we are currently working on a Black History Month project to showcase 15 individuals and families who have played a significant role in shaping the Boston-Thurmond community.

Your contribution will be greatly appreciated and will help us to create a more comprehensive history of the Boston-Thurmond community that can be shared with others via social media and our website.

We would be honored to have you participate in this project.
